**Please Read Special Notice to Exhibitors:**

GTWAG, their Board of Directors, ASCA and its Board of Directors, and the Owner of the property assume NO RESPONSIBILITY for any loss, damage, or injury sustained to exhibitors, handlers, or any visitor to this site, or to any of their dogs, personal property and/or children.

**Trials will be held under the current rules and regulations of ASCA.**

**PLEASE READ OUR ARRANGEMENTS FOR COVID-19 SAFETY RULES THAT WILL BE IN PLACE FOR THESE TRIALS IN THEIR ENTIRITY:**

Due to ASCA and our Club's wish to make this as safe a trial for our exhibitors at this time, spectators will not be allowed in the building during the trial. Everyone in the building MUST wear a mask or face covering that covers their nose and mouth at all times while in the building. Anyone not complying will not be allowed to enter the ring to show. Our judges, stewards and workers will all wear masks while in the building, too, of course. Only the current class exhibitor and one "exhibitor on deck" will be in the building with their dog while the class is running. A ring steward will invite the next exhibitor into the building as one leaves. A check-in board will be outside the entry door to help you keep track of your place in the class and get your score. As usual, no dog treats or food within 10 ft of the ring per ASCA rules. Cleaner and hand sanitizer will be made available, and rest rooms may be used, of course. Due to the two ring format, there won't be room inside for exhibitor set-up at these trials, we will start a little earlier than usual and we will hope this will allow us all to be finished ASAP so you can go home each day before it gets too warm and enjoy some of your holiday with family and friends, too. **No show photographer at this time.**

**We will send exhibitors a schedule for the classes with times for each class to start a few days before the trial, and while we may be slightly delayed in starting the class, the walk-thru and actual class will NOT start BEFORE the scheduled time. We will run the rings at the same time, Ring 1 each day will start with MASTERS and run down to NOVICE, and Ring 2 each day will START with NOVICE and UP to Masters, so you may need to be there all morning. We are trying to get done by 1 pm or before if possible to avoid being there during the heat of the day.**

**Please plan to bring fans if it you feel it will be very warm. Ribbons for each class will be available for the qualifiers immediately after the class.**

**If you happen to be a lucky exhibitor who earns one of the large Rosettes, if you are not still at the trial site, you will be phoned and told of your win. You may then pick up your rosette the next day if you are not still there, or the club will happily mail it to you on Tuesday morning, but you WILL know you won it before the Trial Secretary leaves the trial site for the day!**

Please clean up after your dogs at this site and at any hotel, motel that you may stay at in conjunction with this event, so that we can continue to use these facilities! We deeply appreciate your cooperation with this request!

**Trials will be held under the current rules and regulations of ASCA.**

No entry will be accepted from any person not in good standing with ASCA.

Checks that are not valid will not be considered a valid entry to the trials and there will be a \$35.00 fee for them. Please don't make us have to enforce this!

**Our usual generous refund policy will be followed for this trial, as ever. If for ANY reason, you decide to pull your dog within 24 hours of the trial in question, we will refund your entry fee for that trial, no questions asked.**

No food, crates or dog treats will be allowed within 10 feet of the ring. No grooming allowed on site. There will be no crating available inside the building due to 2 rings running at the same time.

**No Bitches in Heat will be allowed to compete at these trials per ASCA regulations.**

Exhibitors are, of course, allowed to bring their own coolers with food and drink if they wish. No food will be available at the trial.
