From the ASCA® Agility Rule Book:

3.1.2 **Novice Level** (Pg 21) is the first entry level for every class. The Novice level is for any dog which has not yet earned ASCA® certification in a particular class. The purpose of dividing any class level into A/B categories is in the fairness of competition. If the dog and handler are just beginning agility competition, they should compete in the Novice A category.

3.3.2 **Veterans Division** (Pg 22) is open to any dog age seven (7) or older. The dog's age shall be determined by the dog's actual birthday or the closest date as known. Dogs entered in the Veterans Division classes will jump 4" lower than their regular jump height. Course times for dogs entered in the Veterans Division of the Regular Agility and Jumpers classes shall be 10% greater than the SCT for the Standard Division. The gamble time in the Veterans Gamblers class shall be two seconds longer than the gamble time for the Standard Division. www.asca.org

We Really Need Volunteer Support

As at every event, no club can pull off a trial without the help and support of our exhibitors to keep the agility trial running smoothly and efficiently. **We will not be able to do this without your involvement.** Working in and around the ring is a great way to increase your knowledge and understanding of the sport. If you have a guest or significant other who would be willing to work at the trial, we'd be thrilled! We appreciate your help! Don't be intimidated if you have not worked a trial before, we will train you.

There will be worker prizes each day as well.
THANKS FOR YOUR HELP!!! Your help makes this trial possible!
