ASCA CLASSES

REGULAR class: The ASCA Regular class will consist of a designated sequence of 14-20 ASCA approved obstacles. Clean runs within the standard course time are awarded 10-point qualifications. Runs that do not accumulate more than five time and course faults qualify. Qualifying runs with no faults receive 10 points; runs with no more than five faults receive 5 points.

JUMPERS class: The ASCA Jumpers class is primarily composed of single jumps, but may also include one double bar jump, the tire jump, one closed tunnel (chute), and/or open tunnels. The course consists of 12-20 obstacles. Speed is of essence in the Jumpers class, and teams must have a clean run with no time faults in order to qualify. Qualifying runs receive 10 points.

GAMBLERS class: The ASCA Gamblers class is the "Old-Style Gamblers" with point accumulation period, immediately followed by a gamble sequence. Qualifying runs receive 10 points.

Accumulation Period. All dogs are allowed 30 seconds in the accumulation period. Each type of obstacle is assigned a point value and teams must accumulate a minimum number of points in the accumulation period (Novice-15 pts, Open 18-pts, Elite-21 pts). During the accumulation period the handler directs the dog over a course determined by the team. The dog may not perform the gamble sequence or any segment of the gamble sequence in order; however they may perform the obstacles individually or in the reverse sequence. Note that if a bar on a gamble obstacle is knocked down during the point accumulation period, the dog cannot receive credit for performing the gamble sequence.

Gamble Sequence: The Gamble sequence is composed of 4 required obstacles and sometimes a 5th optional obstacle. The gamble period begins immediately at the end of the accumulation period. In the gamble period, dogs must perform the 4 obstacles in the designated sequence within the designated time, with handlers remaining behind a "gamble line". Teams will not qualify if the handler crosses the gamble line or if a bar is dropped during the performance of the gamble. For more information on ASCA classes, please refer to the ASCA Agility Rules & Regulations at www.asca.org

From the ASCA® Agility Rule Book:

3.1.2 Novice Level (Pg 21) is the first entry level for every class. The Novice level is for any dog which has not yet earned ASCA® certification in a particular class. The purpose of dividing any class level into A/B categories is in the fairness of competition. If the dog and handler are just beginning agility competition, they should compete in the Novice A category.

3.3.2 Veterans Division (Pg 22) is open to any dog age seven (7) or older. The dog's age shall be determined by the dog's actual birthday or the closest date as known. Dogs entered in the Veterans Division classes will jump 4" lower than their regular jump height. Course times for dogs entered in the Veterans Division of the Regular Agility and Jumpers classes shall be 10% greater than the SCT for the Standard Division. The gamble time in the Veterans Gamblers class shall be two seconds longer than the gamble time for the Standard Division.

NOTICE TO EXHIBITORS

This trial is open to all dogs being at least eighteen (18) months of age, including purebred and non-purebred, except bitches in season, dogs suffering from any deformity, injury or illness that may affect the dog's physical or mental performance, or dogs exhibiting any signs of aggression towards people or other dogs. Dogs are not required to have an ASCA Registration, ASCA LEP, or QTracking number to enter this trial. However, **ASCA requires registration of all non-ASCA registered dogs** in order to record and track these dogs for ASCA titles. If you wish to have your qualifying scores recorded and receive ASCA titling certificates, you must register your dog and become a service member of ASCA at the time of registration. We will have forms available at the trial, you can get a form on the ASCA website.

Toys shall not be used outside the ring within 10 ft of the agility trial arena at any time. Handlers may, however, continue to train in the ring with declared toys for the specified time for training in the ring.

The only exception to this is leading your dog to the start on leash and leaving the ring on leash. Any dog which demonstrates aggression towards any person or any dog, whether inside or outside the ring, must be excused from the agility trial. Any dog which the judge feels is not in enough control to perform all obstacles in a safe manner will be excused from the agility trial.

Foul or abusive language, yelling at exhibitors or judges, disorderly conduct, and/or poor sportsmanship will not be allowed and shall be disciplined in accordance with Chapter 11 and the ASCA Dispute Rules and ASCA Discipline Guidelines. In such case, no refund of fees paid will be made. There will be no refunds for entries withdrawn after the closing date, or in the event a dog and/or handler are dismissed from competition, regardless of the reason for such dismissal. **Refunds will be issued for bitches that come in season, if notification in writing or by email is received before January 18, 2020 (Vet excuse required).**
