ADDITIONAL INFORMATION:

These trials will be held under the current rules and regulations of ASCA. The Rally Rulebook is available online at:

<https://www.asca.org/wp-content/uploads/2020/02/rallyrules.pdf>

Bitches in season are not allowed to compete in these trials.

Exhibitors, through submission of an entry, acknowledge that they are knowledgeable of ASCA rules and regulations. PASA, its Board of Directors and the property owners assume NO RESPONSIBILITY for any loss, damage or injury sustained by exhibitors, handlers, or persons/dogs accompanying them; or any loss or damage to personal property.

No food will be available on site.

Winds can build quickly at the trial site. It is strongly advised that all canopies be solidly staked to the ground at all times. Also, consider bringing the smallest canopy that meets your needs—as they are less likely to catch the wind.

Volunteers are always welcome at ASCA trials. Without such help, we cannot conduct trials. If you're available to help during the trial—even for a short time—or can bring someone who can, please send an eMail to Rick (amoeba@pobox.com) that describes your/their availability.

Please clean up after your dog. Please keep your dog on leash when not competing.

COVID-19 CONSIDERATIONS:

Participants are required to follow state and local guidelines as they apply to COVID-19 safety.

Currently, those guidelines are in a state of flux. The CDC has established that fully vaccinated people can safely go without masks outside as long as they are not in a crowd. (This event is not considered a crowd.) California is expected to abandon the tiered system by the time these trials are held. It is assumed that masks will not be necessary nor required for fully vaccinated exhibitors—but if conditions change, we will require participants to follow the COVID-related regulations at the time.

Do not come if you feel sick. Do not come if you are not comfortable being around others that are following state/local COVID guidelines.

Everyone is encouraged to maintain 6' social distancing. Avoid shaking hands or hugging. Avoid touching dogs that are not your responsibility.

Additional COVID-19 safety instructions may be eMailed to exhibitors shortly before the trial.

ACCOMMODATIONS:

These motels and RV Park are believed to accept dogs. Please verify the motel’s current pet policy before making your reservation. If their pet policy has changed, please let us know. **(If you stay in a local motel with your dog, please tell Rick Anderson whether or not you would recommend the motel for future exhibitors. Thanks!)**
