Please Read Special Notice to Exhibitors:

GTWAG, their Board of Directors, ASCA and its Board of Directors, and the Owner of the property assume NO RESPONSIBILITY for any loss, damage, or injury or illness sustained to exhibitors, handlers, or any visitor to this site, or to any of their dogs, personal property and/or children.

Please clean up after your dogs at this site and at any hotel, motel that you may stay at in conjunction with this event, so that we can continue to use these facilities! We deeply appreciate your cooperation with this request!

Trials will be held under the current rules and regulations of ASCA.

No entry will be accepted from any person not in good standing with ASCA.

Checks that are not valid will not be considered a valid entry to the trials and there will be a \$35.00 fee for them. Please don't make us have to enforce this!

Our usual generous refund policy will be in effect if requested by 24 hours of the start of the trial. No Bitches in Heat will be allowed to compete at these trials per ASCA regulations. We will be happy to refund entries for bitches in heat, as always.

PLEASE READ OUR ARRANGEMENTS FOR COVID-19 SAFETY RULES THAT WILL BE IN PLACE FOR THIS TRIAL IN THEIR ENTIRITY:

Due to ASCA and our Club's wish to make this as safe a trial for our exhibitors at this time, spectators will be allowed to crate in the building during the trial. A mask or face covering that covers their nose and mouth at all times while in the building will only be required of those who have not yet been fully vaccinated . Anyone not complying will not be allowed to enter the ring to show. Our judges, stewards and workers will only be wearing masks while in the building if they have not been fully vaccinated. As usual, no dog treats or food within 10 ft of the ring per ASCA rules.

Cleaner and hand sanitizer will be made available.

No show photographer at this time but we will advise you if one becomes available!

We will send exhibitors a schedule for the classes with times for each class to start a few days before the trial, and while we may be slightly delayed in starting the class, the walk thru and actual class will NOT start BEFORE the scheduled time. You will NOT need to be at the show site for a great deal of time before your first class unless you wish to be, to minimize you time on site. Ribbons for each class will be available for the qualifiers immediately after the class. There will be no need to remain at the trial site after your class unless you wish to do so. If you happen to be a lucky exhibitor who earns one of the large Rosettes, if you are not still at the trial site, you will be phoned and told of your win. You may then pick up your rosette the next day if you are not still there, or the club will happily mail it to you on Monday morning, but you WILL know you won it before the trial secretary leaves the trial site for the day! We plan for the Trial to be over by 2:30 on Saturday and by 12:30 on Sunday--actual time may vary depending on speed of performances in each class.

Exhibitors may “camp” outside the building with tents, chairs, pop-ups, fans, etc, under the shade of the trees or in the grass , or crate out of their vehicles or inside the building. There are no RV hookups or electricity available for them. We cannot allow you to park an RV overnight at the sight, even without a hook up. No food will be provided at this trial, but we will provide water for our Exhibitors, and Exhibitors are, of course, allowed to bring their own coolers with food and drink if they wish, to be kept in their cars or coolers inside the building.

We want to make it possible for you to trial, AND maintain your safety in these unusual times. We realize we are fortunate that we can do this, as many trials/events have had to cancel and we hope that this will make you feel confident enough to attend. It will be a quiet trial inside, and we also hope that will relieve any extra anxiety you may feel while “pandemic trialing”. We look

forward to seeing you again after so many months without trials! Thank you for considering joining us!

IF CONDITIONS CHANGE REGARDING COVID 19 BEFORE THE TRIAL, MAKING DIFFERENT ARRANGEMENTS NECESSARY, WE WILL ALERT YOU!
