Notice to Exhibitors

This event is sanctioned by the Australian Shepherd Club of America, hereinafter referred to as "ASCA". This trial will be held under the current rules and regulations of the Australian Shepherd Club of America. For a complete listing of the rules, visit <http://www.asca.org>

This trial is open to all dogs being at least eighteen (18) months of age, including purebred and non-purebred, except bitches in season, dogs suffering from any deformity, injury or illness that may affect the dog's mental or physical performance or dogs exhibiting any signs of aggression toward people or other dogs.

Dogs are not required to have an ASCA registration, LEP or tracking number to enter this trial. Handlers do not need to be ASCA members. **However, ASCA requires registration of all non-ASCA registered dogs in order to track and record these dogs for ASCA titles.** If you wish to continue to have your qualifying scores recorded and receive ASCA titling certificates, you must register your dog and become a service member of ASCA at the time of registration. Forms will be available at the trial, as well as included in this premium and on the ASCA website, www.asca.org.

The management will not be responsible for the loss or damage to any dog exhibited, or for the possessions of any exhibitor whether the result was by accident or any other cause. It is distinctly understood that every dog at this event is in the care and custody and control of its owner or handler during the entire time the dog is on the show premises. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the show committee be asked to leave the site. In such case, no entry fees will be refunded.

No entry shall be accepted for a dog or handler disqualified from the ASCA agility program; a dog or handler disqualified from all ASCA programs or a member not in good standing with ASCA. A list of such dogs will be supplied by the business office along with the sanctioning paperwork. Dogs must be on leash when not competing in the ring. Please clean up after yourself and your dog.

No entry will be refunded if the trial cannot open or be completed by reason of riot, civil disobedience, fire, public emergency, act of God or act of a public enemy or any other cause beyond the control of the organizing committee.

There will be no refunds for entries withdrawn after the closing date, or in the event a dog and/or handler are dismissed from competition, regardless for the reason for the dismissal. Refunds will be issued for bitches that come in season, if notification in writing or by email is received before the trial begins. Refund of entry fees after the closing date for ill/injured dogs will be given less a \$10.00 administrative fee; with verification from vet on request.

Returned checks do not constitute a valid entry. There will be a \$30.00 service charge for returned checks.

No leads, collars, food, toys, other aids or devices will be permitted on the course, no food or toys within 10 feet of the rings at any time.

Any dog which demonstrates aggression towards any person or any dog, whether inside or outside the ring, must be excused from the trial. Any dog which the judge feels is not in enough control to perform all obstacles in a safe manner will be excused from the trial.

About ASCA agility

ASCA courses are fun, flowing and fast! There are no run outs or refusals called, however course times are a bit faster. An off course is not allowed at any level. You must have 20 pts (2 clean legs) for gamblers and jumpers titles. Regular requires 30 points, however in regular only, a 5 pt Q can be earned if the dog is either 5 seconds or less over time or has one knocked bar.

Dog's run naked (no collar) in ASCA, jumpers has no weave poles and the gamble is a typical gamble with an opening period to accumulate points then the distance portion of the class. For Exhibition Only (FEO) entries are allowed, however no qualifying legs are awarded. Dogs do not have to have an ASCA number or QT number to enter, however legs and titles will not be recorded or awarded without one or the other. QT number application included in this premium and may be applied for at time of entry. Training in the ring is allowed up to Standard Course time, however no food or toys can be used (i.e. contacts can be repeated, start line stays worked on etc). You may enter at a higher level, however upper level Q's will first satisfy the lower level titles. ACE division is similar to AKC Preferred and USDAA Performance, dogs of any age can jump one height lower, ACE senior allows dog 7 and over to jump two heights lower than their Standard jump height.

About training with toys in the ring: Toys maybe brought into the ring for training. These toys may not involve food or treats of any kind, may not make noise or may not leave parts behind. Handlers will mark the gate sheet with a "T" at check in and will run at their regular place in the jump height within the class. Toys must be declared when entering the ring. They will be immediately eliminated whether or not the toy is used and will have the specified time for training in the ring. If handlers bring a toy in the ring without declaring it, they will be asked to leave immediately.

We strive to have fun and hope that even if you didn't qualify as much as you hoped, you still had a good time!

EXHIBITOR/OWNER OR PARENT/LEGAL GUARDIAN (IF JR IS UNDER 18) MUST READ AND SIGN THIS FORM

AGREEMENT

IMPORTANT LEGAL AGREEMENT—Please read the following carefully as it, among other things, may prevent you from suing ASCA® and persons/entities affiliated with it. This agreement could even require you to defend them from demands and suits by third parties that include an assertion of wrongdoing by you. (1) The person signing this Agreement represents being authorized to enter into it on behalf of him/herself, as well as (if different) the owner(s)/exhibitor(s)/handler(s) of the dog(s) for which an entry form is being submitted (all these parties collectively referred to herein as "Applicant"). (2) "Releasees" here collectively refers to the Australian Shepherd Club of America® (ASCA®); its affiliate clubs; and the officers and board of directors, staff, contractors, insurers, attorneys, and agents of ASCA® and of those clubs. (3) This Agreement voluntarily is entered into by Applicant in exchange for the acceptance of the associated entry form and permission to participate in related activities. (4) Applicant agrees to abide by the rules and regulations of ASCA® and any other rules and regulations applicable to this event. (5) Applicant certifies that the entered dog will not pose a hazard to people, property, stock animals, or other dogs, and further that the dog is current with rabies shots along with any other vaccinations required by its state of residence. (6) Applicant acknowledges and assumes the risks to Applicant and Applicant's dog associated with participation in the event, among which could be ones associated with poor condition of the facilities and surrounding areas; security measures or lack of them; electrical appliances; fittings; show rings; the presence of unfamiliar persons; and the presence/involvement of other animals—whether stock, dogs, or otherwise. (7) Applicant further agrees to comply with all recommended and required health and safety precautions, among which may be those related to social distancing; quarantining; wearing of face coverings; and non-participation of persons exhibiting symptoms or for whom there otherwise has been a likelihood of recent exposure to COVID-19 or other contagious diseases. (8) Applicant additionally acknowledges and agrees to assume the risks associated with taking part in the event though others might neglect compliance with health and safety precautions/requirements or pose an undue risk of spreading disease. For example, as is true as to any public event, there is some risk that Applicant and/or those affiliated with Applicant may catch COVID-19 or another contagious disease at the event. (9) To the maximum extent permissible, this release is to be interpreted under Texas law, without application of its choice of law rules. (10) To the extent that Applicant—or another party suing on behalf of Applicant, or suing to recover based on injuries/death/damage to Applicant/Applicant's dog/Applicant's property—sues ASCA® (or a board member or staff member or agent of ASCA®) as a defendant, the sole appropriate forum (to the maximum extent permitted by law) for the suit shall be the state or federal courts serving Brazos County, Texas (where ASCA® has its headquarters). (11) Applicant hereby releases and waives any claims Applicant otherwise might assert against the Releasees as to any injury or damage claim connected in any way to any alleged act or omission arising out of, or occurring concurrent with, the event and related activities, interactions, communications, and even adjacent premises. (12) This release is made not only as to Applicant but also for anyone who might assert a claim on behalf of Applicant or based on purported injury or damage to Applicant/Applicant's dog/Applicant's property, as well as any heir, beneficiary, assignee, executor, trustee, agent, or survivor of Applicant. (13) Applicant further agrees to assume sole responsibility for and indemnify and hold Releasees harmless from related claims, demands, judgments, and settlement payments. (14) These waiver, release, and indemnification provisions extend even to claims or demands asserting that the acts or omissions resulted in bodily injury or death or from intentional wrongdoing, as well as to attorney fees and other costs of defense. (15) The duties of indemnification further extend to any claims or demands asserted against Releasees that are alleged to have arisen out of the acts or omissions of Applicant, Applicant's dog, or others affiliated with Applicant. Among other things, this means that Applicant would pay the legal defense of Releasees if someone sued them based on a claim Applicant carelessly exposed the claimant to COVID-19. (16) Applicant's promises in this agreement apply without regard to the type of claim or cause of action asserted against Releasees. (17) To the extent any provision of this agreement is unenforceable, the remainder of it nonetheless is to be enforced. (18) This agreement is to be interpreted to provide Releasees with the maximum permissible legal protection from—among other things—claims and suits pursued by Applicant (and/or those acting on behalf of Applicant or over injury/damage to Applicant), as well as from ones based on the purported wrongful acts or omissions of Applicant. (19) Nothing in this Agreement requires you to indemnify Releasees from claims by third parties that involve no allegations of improper acts or omissions by you, those affiliated with you, nor your dog(s). (20) Applicant acknowledges having read, understood, and had the opportunity for independent legal review of this document prior to signing it.

FREQUENTLY ASKED QUESTIONS

Do I have to have a QT number to compete?

- You do not need a QT number in order to compete in Agility, Stock or UAD events, unless you want to earn ASCA titles.
- You will need a QT number to enter an Obedience Trial, Rally Trial, Tracking Test or ASCA Sanctioned Dock Jumping.
- Your dog does not have to be a purebred to receive a QT number from ASCA.

Why would I need or want a QT number for my dog?

If you would like your dog's points recorded by ASCA, and receive title certificates in the mail for your accomplishments, you will need to obtain a QT number.

What is the total cost for a QT number?

In order to obtain a QT number for your dog, you must be a member. The cost for a basic Service Membership is **\$10 per owner** if not already a current member.

- Your membership is good for one year and does not need to be renewed unless you want to obtain another QT number for another dog after your membership has expired.

This membership fee is in addition to the QT number fee of **\$10** per dog.

A QT number is good for the lifetime of the dog. If you only have one dog, the total cost would be **\$20**. For two dogs, the cost would be **\$30**, etc.
