STOCK DOG AWARDS:

Ribbons awarded for 1st through 4th place.
Qualifying ribbons for qualifying scores.

Ribbons for High Combined, High Cattle, High Sheep, High Ducks
and Most Promising Newcomer. (if applicable)

Special prize for High Combined Non WTCH

There have to be at least 2 entries competing in order to win High Combined and High
Combined Non-WTCH.

HIT, HC Non WTCH and HC will be calculated out of the highest combined scores of all
three livestock (all scores both Q and Non Q) per trial, each day.

WEEKEND PRICES: (NEW)

Highest score combined under 1 judge

Highest combined started Aussie
Highest combined open Aussie
Highest combined advanced Aussie

Calculations as follows:

A & B course = score

G & H courses = score + 5%

DEF courses = score + 10 %

DWAS YEAR END AWARDS:

These trials will count toward the DWAS year end awards.
DWAS donates a beautiful bronze statue of an aussie for:

Highest combined started Aussie
Highest combined Non WTCH Aussie
Highest combined WTCH Aussie

Highest combined score of 2 trials with 2 different judges of 2019

Calculations as follows:

A & B course = score

G & H courses = score + 5%

DEF courses = score + 10 %

Ending with equal points then in the following order:

- The highest score wins
(i.e 324 +326= 650 is higher than 325 + 325 = 650)
- The highest cattle score trial 1
- The highest cattle score trial 2
- The highest sheep score trial 1
- The highest sheep score trial 2
- The highest duckscore trial 1
- The highest duckscore trial 2
- Pulling a name out of a hat.

(Aussies eligible have registration numbers starting with E,N,F or I)

And a special recognition prize for the High Combined other loose eyed breed.

Eligible are also aussie's with other registration numbers as E,N,F and I

This award is clearly for other loose eyed breeds, so breeds labelled as strong eyed do not compete for this price.

In case the dog is a mix between strong eyed and loose eyed, the DWAS board gets to decide whether it can compete for the prize or not.

Calculation as follows :

The rules are similar to the other year end awards, but since it is only 1 award for loose eyed dogs competing in all divisions (started, open, advanced), it will be based on the % of the dogs score and not on the actual points.

Required: Highest combined score of 2 trials with 2 different judges of 2019.

Additional bonus for division and course (a 10% bonus increases an 80% score to 88%, not to 80%+10%=90% !):

- | | |
|-----------------|--------|
| - Open | + 3% |
| - Advanced | + 6% |
| - G & H courses | + 5% |
| - DEF courses | + 10 % |

Note: a HCT or JCT is not a score. In case a dog has e.g. 2 scores and a HCT, there will be no combined score.

Ending with equal points then in the following order:

- The highest score wins
(i.e 50% average based on 60% + 40% beats 50% + 50%)
- The highest cattle score trial 1
- The highest cattle score trial 2
- The highest sheep score trial 1
- The highest sheep score trial 2
- The highest duckscore trial 1
- The highest duckscore trial 2
- Pulling a name out of a hat.

Data Protection:

Due to the GDPR (General Data Protection Regulation), each DWAS member and each trial participant must agree to the processing of his personal data. This approval is to be granted once and serves to ensure the fulfillment of the objectives of the DWAS.

The completed (pdf with text entry) and signed statement is, if not yet submitted in a previous trial, to be added to the trial entry, see <http://www.dwas.nl/de-club.html>
