Snowy Butte ASC Farm Dog

Course Description

1. Gather 10 head of sheep (5 ewes + 5 marked lambs. Handler's line will be marked. Sheep will be set on hay and held by set-out dogs with handlers. Set-out dogs will be called off when competitor's dog is sent. *Advanced Handlers and their dog will send from marked line or any place behind it. Open dog may be set on line and handler can go ½ distance between sheep and line. Gather and move all 10 head into barn corral. (Gather—20 points)
2. All ten head move into barn corral. Pen is complete when gate is closed. (Pen—5 points)
3. Move all 10 head from barn corral into large round pen. *Advanced handlers must remain at round pen gate and send dog to gather sheep and put in round pen. Open handlers may assist dog. (Pen-- 5 points)
4. Using gate between barn corral and round pen sort the 5 ewes from the 5 collared lambs. Ewes to go into barn corral. *Advanced handlers are to remain at gate to complete the sort. **Open handlers may assist if they so choose.** (Sort—25 points)
5. Move the 5 lambs into the small pen and the ewes into round pen. (Pen—10 points)
6. Move 5 head of lambs from small pen through chute into left pen. (chute 20 points)
7. Move 5 lambs from left pen through chute back into small pen. (
8. Load lambs into front of trailer and close dividing gate. (Load—10 points)
9. Move ewes into small pen. (Pen 5—points)
10. Load 5 ewes into back of trailer. Time stops when last ewe is in trailer. (Load—10 points)

*_Time stops when all 10 head are in trailer. Time allowed to complete course is 25 minutes. A 10 minute and a 3 minute warning will be given. All ties will be broken by gather points. If a tie still exists then time elapsed will be used. *denotes advanced handler from open handler tasks*

Snowy Butte ASC Mixed Farm Dog Trial-

Course Description

Cattle Part 1

1. Gather 5 head of cattle set on hay. Cattle will be held by 2 riders on horseback until dog is sent. Open Handlers may place dog on or behind Open Handler's line and may go ½ way between cattle and cone before sending their dog. Open Handler's line will be marked. *Advanced handlers send dog from advanced handler's line or any place of their choosing behind designated line. (Gather--10 points)
2. Pen all 5 head of cattle in barn corral and close gate. *Advanced handlers must remain at gate while open handlers may assist dog. (Pen--5 points)
3. Move the 5 head of cattle from the barn corral into the round pen. Pen is complete when gate is closed. (Pen--5 points).
4. Open handlers will sort any 3 head from the 5 and move 3 into barn corral. * Advanced handlers must sort the 3 animals designated by judge while open handlers may sort any 2 from the 5. (Sort--12 points)
5. The 2 head remaining in the round pen will then be moved back into the barn corral with the sorted 3. (Pen--2 points)
6. All 5 head will be moved from the barn corral, thru the chute into the arena take-out pen. (chute-10 points)
7. Load all 5 head of cattle into stock trailer parked at side of take-out pen. Handler to move directly to sheep gather once load is complete. (load-20 points)

(Time will be stopped while handler and dog proceed to position for gather of sheep and goats. Time started when dog begins gather.)

Sheep and Goats Part 2

1. Gather 10 head of stock (5 sheep + 5 goats) set on hay and held by set-out dogs and handlers. Handler's line will be clearly marked. Open handler may set dog at handler's line and proceed half-way before sending dog. *Advanced Handler and dog must remain behind designated line for the gather. Open may set dog at designated line and handler may proceed half-way before sending dog. Gather ends when all ten head reach barn corral. (gather 10 points.)
2. Move all 10 head through barn corral and round pen into small pen. *Advanced handler must remain at round pen gate and not assist dog. (pen 5 points)
3. In small pen sort the 5 goats from the sheep using the gate between round pen and small pen. Goats go into round pen and sheep remain in small pen. Open handlers may assist. *Advanced handlers remain at gate during this exercise. (sort 13 points.)
4. Move the 5 sheep through the chute into left pen at end of squeeze chute. Close slide gate. (pen 5 points)
5. Be sure guillotine gate to chute is closed and move 5 goats from round pen into small pen. (pen 3 points)
6. Send dog into left pen to move 5 sheep through the chute into the small pen. Guillotine gate is opened when sheep are ready to exit chute. (chute 10 points)
7. Load all 10 head of animals into trailer. Time stops when last head of stock is in trailer. (load 20 points)

Time to complete course is 35 minutes. Time stops when all animals are in trailer. A ten minute and a three minute warning will be given. Ties will be broken by gather points. If tie still exists elapsed course time will be used. *Denotes Advanced Handler
