The diagram illustrates a sequence of training signals. At the top, a large teal arrow curves to the left. Below it, a red octagon is positioned to the left of a hand icon. To the right of the hand are two teal house-shaped icons stacked vertically. A horizontal line is drawn below the hand and house icons. Below the line, a paw print is on the left and a large teal arrow points upwards on the right. On the far left, another teal arrow curves downwards.
