PASTURE FOR GATHER

(drawing is an approximation and not done to scale)

Ranch Dog Sheep Course

1. Gather 15 head of sheep from 6 acre pasture. Sheep will be scattered on grassy area below small wooded hill.

Bring sheep up to 6 foot gate that joins pasture to small night pasture. Put them through night pasture into barn corral. Close both gates.

2. Move sheep from corral into round pen.

3. Move sheep into small pen connected to sheep alleyway.

4. Sort all 7 ewes from lambs and put the ewes into round pen.

5. Move 8 lambs into alleyway and move through chute one at a time and administer shots to each lamb. Use left pen at end of chute for holding lambs.

6. Bring lambs from left pen through chute into small pen.

7. Load 8 lambs into front of trailer. Close center trailer gate.

8. Bring 7 ewes into small pen.

9. Load 7 ewes into back of trailer. Time stops when all 7 are in trailer.

Time allotted for this course is 20 minutes. A 10 minute warning and a 3 minute warning will be given. Ties broken by gather points and then time elapsed.

Handlers may walk, ride the horse provided or use the 4-wheeler.

Ranch Dog Cattle Trial Description

Hahn Ranch, Eagle Point, Oregon

June 8, 2023

Judge: Canby Scott (cattle) and Roy Sage (sheep)

Ranch Dog Cattle: AM 10 head of beef breed cattle

10 head of cattle will be scattered on 6 acres for the dog to gather. The cattle will be herded to upper pasture and brought into barn corral. The dog will move all 10 head into round pen and sort 5 head from the 10. The 5 head will be moved into entry to chute. Move 5 head into squeeze chute one at a time and administer a shot. Release each animal after shot into barn corral. After all 5 have had shots and are released into barn corral. Take all 5 head into alley way and into 20X24 foot pen. Trailer is on one side of that pen. Load all 5 head into trailer. Time stops when last head is fully in trailer.

Time allotted for this course is 30 minutes. A 10 minute warning and a 3 minute warning will be given. Ties broken by gather points and 2nd by time. Handlers may walk, ride the horse provided or use the 4 wheeler at their own risk.
