ASCA Board Meeting Minutes

The meeting was held via Zoom on Monday, June 5, 2023, at 6:00 pm Central.

In attendance: President Rick Gann, 1st Vice President Susan Byrne, 2nd Vice President Liz Busquets, Secretary Ann McCabe, Treasurer Jan Wesen, Director Denise Creelman, Director Carol Gerken, Director Dawna Sims, Executive Secretary Kalla Jaco, and Nationals Advisory Committee Members: Renee Watson, Laura Gibson, Rachel Vest, and Terri Morgan.

Absent: None.

The meeting started at 6:07 pm.

The Board met with the Nationals Advisory Committee and went over the chart comparing the Bakersfield, California, and Winnemucca, Nevada sites.

Winnemucca and Bakersfield present different benefits and drawbacks when comparing their potential use as venues. Winnemucca has waived its facility fee which significantly lowers costs, compared to Bakersfield's estimate of \$32,001. The RV cost per space in Winnemucca is \$225 and in Bakersfield is \$180. However, the spaces in Winnemucca provide full hookups, while we would incur an additional charge for pump outs in Bakersfield. Both locations offer grooming spaces and have adequate office and meeting spaces. For specific events, Winnemucca is better for Stockdog and Conformation events, but it only has room for two competitive events for Obedience and Rally. For Agility, Winnemucca has room for two rings inside, with a third ring outside, while Bakersfield offers three rings together on grass. Banquets at Winnemucca will be held off-site with shuttle transport, whereas Bakersfield's are on-site.

There are concerns to consider for each location. In Bakersfield, past agility competitors have been unhappy with the surface and some exhibitors have voiced concerns about safety. In Winnemucca, Obedience and Rally facilities could be problematic, although not insurmountable. Travel could increase costs, and the town's older hotels and limited restaurant options could also pose challenges. Despite these concerns, Winnemucca's lack of facility fee provides a larger margin of profit, with an automatic profit of \$12,990 and a saving of \$30,591 compared to Bakersfield.

In a detailed discussion, those present deliberated between the suitability of Winnemucca and Bakersfield as venues for the 2025 Nationals. Creelman insisted on maintaining event standards and not compromising on space, while Wesen and Gerken discussed potential livestock costs, indicating possible savings based on group size for each run. There was disagreement on whether livestock at Bakersfield had prior dog exposure. Busquets suggested consolidating cost estimates for forward planning, and Gibson emphasized the need to select a site based on current information. A motion was made and seconded to hold the event in Winnemucca, Nevada. Concerns were raised about logistical issues, local amenities, travel costs, potential weather issues, and the adequacy of local services at both sites. Some team members favored Bakersfield for its financial benefits and proven capability, while others voiced optimism for Winnemucca attracting new attendees. Watson suggested not committing to a multi-year agreement due to Winnemucca's remote location. The discussion concluded with a proposed site rotation plan and updates on the investigation of a Virginia site.

Watson, Gibson, Vest, and Morgan left the meeting at 7:12 pm.

The Board engaged in an extensive discussion weighing the pros and cons of Winnemucca and Bakersfield. Gann, Creelman, and Busquets expressed concern about the remote location and small size of Winnemucca, considering it a risky option given the organization's current state. They favored Bakersfield as a tried-and-tested location with a proven financial track record. Byrne echoed these sentiments, highlighting Winnemucca's lack of amenities, especially medical facilities. On the other hand, Sims, Wesen, and Gerken viewed Winnemucca as a promising location, dismissing concerns over travel distance and underscoring its potential profitability, local attractions, cleanliness, and supportive community. McCabe remained undecided, seeing merits and drawbacks in both locations.

BD.23.69 ASCA Nationals 2025 in Winnemucca, Nevada

Motion carried (6-1-1) - Approved: Busquets, Byrne, Gann, Gerken, Sims, Wesen. Disapproved: Creelman. Abstained: McCabe. Absent: None.

Motioned by Wesen for the 2025 ASCA Nationals to be held in Winnemucca, Nevada. Seconded by Gerken.

Effective Date: Immediately upon Board approval.

BD.23.70 Rescind Motion BD.23.57

Motion carried (7-1) - Approved: Busquets, Byrne, Gann, Gerken, McCabe, Sims, Wesen. Disapproved: Creelman. Abstained: None. Absent: None.

Motioned by Busquets to rescind Motion BD.23.67 (Sites for 2024 and 2025 Nationals) since the Board has voted to change the location for the 2025 Nationals. Seconded by Wesen.

BD.23.57 National Specialty Sites 2025-2027

Motion carried (6-2) - Approved: Busquets, Byrne, Creelman, Gann, McCabe, Sims. Disapproved: Gerken, Wesen. Abstained: None. Absent: Larson.

Motioned by Busquets to approve the recommendation of the Nationals Advisory Committee for the following rotation of Nationals sites: Bakersfield, California in 2025; Greeley, Colorado in 2026; and Grand Island, Nebraska in 2027. Seconded by Creelman.

Effective Date: Immediately upon Board approval.

The meeting was adjourned at 7:55 pm.

ASCA Board Meeting Minutes

The meeting was held via Zoom on Thursday, June 15, 2023, at 6:30 pm Central.

In attendance: President Rick Gann, 1st Vice President Susan Byrne, 2nd Vice President Liz Busquets, Secretary Ann McCabe, Treasurer Jan Wesen, Director Denise Creelman, Director Carol Gerken, Director Dawna Sims, and Executive Secretary Kalla Jaco.

Absent: None.

Open Session topics were recorded and may be listened to on ASCA's [YouTube channel](#).

President Gann called the meeting to order at 6:35 pm.

Board Vacancy

This discussion was held in Executive Session from 6:35 pm to 7:04 pm. The Board discussed the candidates for the current vacancy on the Board. After careful consideration, an agreement was reached on who the most qualified person would be for the position.

Moved to Open Session at 7:04 pm. President Gann welcomed the members listening, introduced those present, and explained the Board's meeting process.

Board Vacancy (continued)

The Board voted to appoint Jodie McClellan to the vacant position on the Board. She will serve until the 2024 National Specialty.

Ms. McLellan is an exemplary candidate with a proven commitment to ASCA. Her business savvy is manifest in her current role as co-owner/partner of a reputable brokerage firm. Her specialized skills in financial and human resources management, regulatory compliance, and public relations, coupled with her remarkable communication abilities, position her as an invaluable addition to the ASCA Board.

BD.23.72 Appoint Jodie McLellan to ASCA Board

Motion carried (8-0) - Approved: Busquets, Byrne, Creelman, Gann, Gerken, McCabe, Sims, Wesen. Disapproved: None. Abstained: None. Absent: None.

Motioned by Creelman to appoint Jodie McLellan to the vacant position on the ASCA Board of Directors created by Gina Larson's resignation. Seconded by Sims. Effective immediately.

The Board would like to extend its sincere gratitude to all who applied for the vacant Board position. We appreciate your efforts and enthusiasm. We want to commend all candidates for their passion and dedication to ASCA. Your talent and potential are remarkable, and we hope to collaborate in the future.

May 2023 Treasurer's Report

Treasurer Wesen presented the financial summary for May 2023. The month began with a balance of \$74,019.24 and concluded at \$49,192.84. A year-over-year comparison from January through May revealed a decrease in membership dues and registry income, while program income remained steady. She noted that the financial benefit of moving the Aussie Times online is not yet evident as payments are still being made for past publications. Postage and related costs remain constant, despite expectations of decreases. Wesen stressed the importance of continued cost-saving efforts.

On a positive note, she highlighted the Finals Fees for May amounting to \$8,490.50, pushing the total beyond the \$30k mark, instilling confidence in our financial position. She expressed gratitude for the ongoing support of ASCA's programs.

Wesen then drew attention to the Accounts Payable document, where Byrne provided a detailed month-by-month comparison for further clarity. One outstanding item was reported, and credit card reconciliations had been successfully completed with invoices. She invited questions or additional comments.

Gann questioned a \$417 charge to Dogster Magazine on the Chase credit card, and Wesen agreed to follow up on this recurring expense. Gerken sought clarification on an approximately \$6k cleaning service expense, which Wesen confirmed had been discontinued in favor of exploring more cost-effective options.

Members can find the Treasurer's report and analysis in the member-only section of ASCA's website.

BD.23.73 May 2023 Treasurer's Report

Motion carried (7-0-1) - Approved: Busquets, Byrne, Creelman, Gann, Gerken, McCabe, Sims. Disapproved: None. Abstained: Wesen. Absent: None.

Motioned by Sims to approve the May 2023 Treasurer's Report as presented. Seconded by Gerken.

Improvements to the Business Office

The Board discussed proposed improvements to the Business Office interior, initiated by Byrne, including the installation of an ADA height toilet, fresh paint, replacing an old sofa with two new chairs, and kitchen countertop repairs.

Byrne voiced her support, highlighting the need for the staff to have a cleaner, more pleasant workspace. She emphasized that the majority of the work could be done by volunteer manpower, reducing costs. She proposed an estimated budget of \$1k for these improvements, aiming to enhance the work environment as a show of appreciation to the staff.

McCabe, Gerken, Sims, Creelman, Wesen, and Busquets agreed with Byrne, citing the low cost and the potential for substantial improvements, thanks to the availability of volunteer manpower. They all considered it a good opportunity to enhance the building and employee satisfaction.

Gann, while recognizing the necessity of the improvements, proposed finding an alternative way of funding the project given the organization's financial situation. He suggested that members might be willing to contribute towards the improvement costs.

McCabe proposed a different approach, suggesting they inform the members about the upcoming improvements and invite voluntary contributions, without making the work dependent on such donations. Byrne reiterated her support for the improvements, mentioning the additional need for ergonomic office chairs to further improve staff comfort.

BD.23.74 Funding Improvements to the Business Office

Motion carried (7-0-1) - Approved: Busquets, Byrne, Creelman, Gerken, McCabe, Sims, Wesen. Disapproved: None. Abstained: Gann. Absent: None.

Motioned by Creelman to allocate \$1,000 to make improvements to the interior of the Business Office and to request donations from membership to go toward this work. Seconded by McCabe.

Loan Remainder

The Board resumed discussions from their May 18, 2023, meeting concerning the remaining \$26k surplus from the loan after settling debts with Inventive.

Gann confirmed the Board's prior agreement to review this issue monthly in consideration of changing needs. He indicated that the funds are currently held in a Guaranty Bank account, which requires maintaining a minimum balance of \$10k. The remaining \$16k was up for discussion, with Gann open to the Board's suggestions and comfortable with rolling the decision over to the following month.

McCabe suggested preserving the majority of the surplus until the conclusion of Nationals, while incrementally supplementing monthly loan payments from the account to make headway.

Gerken favored the decision to keep the funds where they are and review the situation again the following month. She expressed her desire to see an upward trend in the balance before using the surplus.

Sims inquired about the previous month's loan payment, to which Wesen responded that a \$1k payment had been made alongside an additional \$3k received from member donations. Based on this, Sims agreed to postpone any decisions regarding the surplus to the next month.

Creelman concurred with rolling over the decision and considered McCabe's suggestion to supplement monthly payments beneficial. She asserted the importance of having funds available for the successful completion of Nationals and proposed revisiting the issue to possibly make a larger loan payment post-Nationals.

Wesen advocated for maintaining the status quo until a stronger financial position is attained, suggesting the aim of returning the checking account to its usual balance of \$100k. She appreciated members' contributions and favored continuing monthly discussions on the matter.

Busquets supported a delay in decision-making, anticipating an increase in registrations during the 'puppy season' and the positive financial impacts of the recent cuts. She suggested that these factors be considered more closely in the future.

Byrne emphasized the necessity to revisit this issue every thirty days until the organization is on firmer financial ground. Gann confirmed the continuation of the matter to next month's meeting.

System Liaison's Report

System Liaison Wesen briefed the Board on the advancements in the computer system upgrade and broader technology projects. She praised the IT Committee's diligence and outlined their current work, including consolidating passwords and coordinating with both the office staff and Inventive to centralize information. Progress is being made with Inventive to transfer Jira and Confluence to ASCA control, which will grant the IT team access to all project notes and data. Membership renewal notifications have been activated, reminding members to check their membership status. An opportunity has arisen for a pro bono penetration test of the ASCA portal, which would provide a detailed analysis of its functionality, and potentially reveal areas for improvement. The committee maintains a productive schedule, meeting every Wednesday to address and resolve ongoing issues.

McLane

The Board commenced a discussion on renewing ASCA's ConstantCare services agreement with McLane, inclusive of introducing Multi-Factor Authentication (MFA) to meet the requirements for cyber insurance. Gann presented the motion, highlighting the necessity of cyber protection in the current environment, which was seconded by Wesen. The proposed quote for an annual service, including the introduction of MFA, is \$2,093.34, offering a quick response service from McLane for any issues encountered.

Creelman inquired about the feasibility of monthly payments instead of an upfront annual fee, which would ease financial strain. Gann suggested that Byrne should consult with McLane to ascertain if the cost could be spread out into a monthly subscription fee.

Wesen sought clarification on whether the quote encompasses the additional backups requested by the IT Committee. Gann, unaware of the specifics, suggested Byrne should clarify this with McLane during her upcoming discussion. Byrne confirmed she would reach out to McLane for further clarification on Tuesday.

Overall, the Board was supportive of the expenditure, with Gann emphasizing the need for the additional cyber insurance. The IT Committee has vouched for McLane's competency and advised the continuation of their services.

BD.23.75 Renew Services Agreement with McLane Including MFA

Motion carried (8-0) - Approved: Busquets, Byrne, Creelman, Gann, Gerken, McCabe, Sims, Wesen.
Disapproved: None. Abstained: None. Absent: None.

Motioned by Gann to approve the quote from McLane to update the ASCA office computers with Office 365 in order to have Multifactor Authentication (MFA) so ASCA can obtain Cyber Insurance policy. Seconded by Wesen.

Comments/Rationale: ASCA's new Insurance requires MFA on all ASCA computers in order to obtain Cyber Insurance with our new policy.

Affected: ASCA: ASCA office staff, Executive Secretary, Webmaster, and ASCA Entry Clerk.

Effective Date: Immediately upon Board approval.

ASCA's IRS Designation

The Board entered into a discussion regarding the possible shift of ASCA's IRS designation from a 501(c)(7) to a 501(c)(4), a change endorsed by ASCA's Certified Public Accountant. This transformation would permit ASCA to garner sponsorships without incurring penalties.

Creelman initiated the conversation, mentioning her discussion with Cynthia Downing regarding the fiscal and operational implications of such a change. Downing, after consulting with the accountant, concluded that the 501(c)(4) designation would be beneficial to ASCA, eliminating restrictions on corporate sponsorships and facilitating ASCA's fundraising efforts. Downing predicted that this change, likely costing around \$1k, could be accomplished within 10-12 weeks.

McCabe, Gerken, and Sims expressed their support for the change, seeing potential benefits such as increased flexibility in fundraising and revenue generation, and the possibility of merchandise sales. Creelman referenced AKC's successful use of the 501(c)(4) status to secure corporate sponsorships and drive event revenues.

Wesen voiced her support but mentioned the need for a more precise estimation of costs and potential other implications of this change, reflecting on the accountant's and attorney's recommendations.

While Busquets and Byrne agreed with the proposed change, they felt the need for more comprehensive information. Gann suggested a more cautious approach, involving the members who have played pivotal roles in the organization's creation and growth. He proposed to table the discussion until next month, inviting Downing to join the call to provide a more detailed explanation.

Creelman committed to coordinating with Downing to ensure her presence at the next Board meeting. She suggested that members could submit their questions in advance for a more comprehensive discussion.

Wesen raised a query about the potential impact of the change on ASCA's bylaws, a question that Gerken seconded by questioning the timeline and the feasibility of soliciting sponsorships for the upcoming Nationals. Denise reassured the Board that sponsorships could be solicited under the current designation, given they stay within the specified limit.

In response to Wesen's point, McCabe stated that the bylaws only require ASCA to be a non-profit but don't specify the designation type. However, Wesen insisted that as the change could alter the member-driven nature of the organization, it should be put to a member vote.

May 2023 Email Business

Due to the requirements of Washington State Law, all legal business of ASCA must be conducted via face-to-face meetings or telephone conference call meetings. To meet this requirement and continue to conduct business via email, each face-to-face meeting or conference call meeting includes a motion to ratify all business conducted via email since the last face-to-face meeting or conference call meeting.

BD.23.76 May 2023 Email Business

Motion carried (8-0) - Approved: Busquets, Byrne, Creelman, Gann, Gerken, McCabe, Sims, Wesen.

Disapproved: None. Abstained: None. Absent: None.

Motioned by Byrne to ratify all business conducted over email in May 2023. Seconded by Busquets.

President Gann thanked all the Directors for their work this month and the members listening. He also thanked Ray Fryar for his service to ASCA and bid him farewell and best of luck as his last day is June 16, 2023.

Moved to Executive Session at 8:05 pm.

Updates Regarding the Business Office

This discussion was held in Executive Session from 8:05 pm to 9:06 pm. A range of operational and financial issues were discussed, including rectifying overpayments to vendors, realizing savings from staff insurance premiums, possible security upgrades and restroom modifications, and administrative assistance from McCabe. Donation management procedures were clarified, IT and online banking issues addressed, and staffing and recruitment plans were considered. The delivery method for Finals invitations and matters related to ASCA's incorporation status and IRS designation were also discussed. The idea of using a temp agency for future hires was considered but raised some concerns.

The meeting was adjourned at 9:06 pm.

ASCA Board Motions

Director Recommendations

BD.23.71 Update Number and Type of Year End Junior Awards

Motion carried (8-0-1) - Approved: Busquets, Creelman, Gann, Gerken, McCabe, McLellan, Sims, Wesen. Disapproved: None. Abstained: Byrne. Non-voting: None.

Motion by McCabe to update the number and type of year end Junior awards. With the addition of Junior Working Handler, Open Junior Handler, and recognition for Juniors competing in agility, the Policy book needed updating. Second by Creelman.

Current Wording:

7.4.2 JUNIOR MERIT AWARDS

A check from ASCA will be issued for Junior Merit award winners in the following amounts:

1. \$75 for the High Score Winners (eight plus any ties)
2. \$25 for the overall High Score Winners (four plus any ties)
3. \$75 for All-Around Junior

The Office Manager will arrange to have the check sent to the respective juniors.

The Office Manager will also arrange for Merit certificates to be sent to Juniors who have achieved one or more of the following: highest pointed junior in each age division in each region, High Score winners, overall High Score winners, Degrees of Excellence, 500 Club, titles earned on dogs.

Proposed Wording:

7.4.2 JUNIOR MERIT AWARDS

A check from ASCA will be issued for Junior Merit award winners in the following amounts:

1. \$75 for the High Score Winners (ten ~~eight~~ plus any ties)
- ~~2. \$25 for the overall High Score Winners (four plus any ties)~~
2. ~~3.~~ \$75 for All-Around Junior

The Office Manager will arrange to have the check sent to the respective juniors.

The Office Manager will also arrange for Merit certificates to be sent to Juniors who have achieved one or more of the following: highest pointed junior in each age division in each region, High Score winners, overall High Score winners, Degrees of Excellence, 500 Club, titles earned on dogs.

7.4.3 TOP OVERALL JUNIOR AWARDS

An award (Examples: embroidered chair, jacket, etc) paid for from the Junior Year End Awards Fund and/or the Junior General Fund will be given to the Top Overall High Score Winners in each division (six plus any ties). After coordinating awards with the Juniors Committee, the Junior Committee Liaison will manage their purchase and delivery.

1. Junior Handling
2. Rally (all classes)
3. Obedience (all classes)
4. Junior Working Handler
5. Open Working Junior
6. Top Junior Agility Finals Qualifier

7.4.4 500 CLUB

Comments/Rationale: The number of awards listed in the Policy book was not the same as required in the Junior rulebook. In addition, a Junior Year End Fund and Junior General Fund has been created to pay for these awards.

Affected: All top Juniors will receive awards. The Junior Committee will discuss and coordinate the yearly prize to each Top Overall High Score Winner with the Junior Committee Liaison. The Office Manager will need to coordinate with the Junior Committee Liaison to purchase prizes. The Junior Committee Liaison will need to coordinate with the Office Manager to purchase and distribute the prizes.

Effective Date: June 1, 2023, for the 2022-2023 Junior Program Awards and going forward.

Committee Recommendations

AGILITY COMMITTEE

AG.23.07 Remove Requirement for a Minimum Number of Different Obstacles in Jumpers

Motion carried (9-0) - Approved: Busquets, Byrne, Creelman, Gann, Gerken, McCabe, McLellan, Sims, Wesen. Disapproved: None. Abstained: None. Non-voting: None.

Motion by Liaison Byrne to approve the following recommendation from the Agility Committee.

Committee Recommendation: Motion by Sandra Katzen to remove the requirement for a minimum number of different obstacles in the Jumpers class. Second by Jan Niblock.

Results of Committee Vote: Approved: 11. Disapproved: None. Abstained: None. Non-Voting: None.

Current Wording:

Section 6.3 Obstacle Requirements

The Jumpers course shall consist of a minimum of twelve different obstacles, of which there can be one double bar jump. The minimum and maximum obstacles allowed for any Jumpers course is as follows:

Novice: 14 – 16

Open: 16 – 18

Elite: 18 – 20

The Jumpers course may consist of jumps, a tire jump, and tunnels. A course does not have to utilize the tire jump or any tunnels, therefore consisting only of single jumps and a double bar jump, if available. There shall not be more than three total tunnel performances per course for Open and Novice levels, and not more than two total tunnel performances for Elite level.

Proposed Wording:

Section 6.3 Obstacle Requirements

~~The Jumpers course shall consist of a minimum of twelve different obstacles, of which there can be one double bar jump.~~ The minimum and maximum obstacles allowed for any Jumpers course is as follows:

Novice: 14 – 16

Open: 16 – 18

Elite: 18 – 20

The Jumpers course may consist of jumps, a tire jump, and tunnels. A course does not have to utilize the tire jump or any tunnels, therefore consisting only of single jumps and a double bar jump, if available. There shall not be more than three total tunnel performances per course for Open and Novice levels, and not more than two total tunnel performances for Elite level.

Comments/Rationale: Courses can be flowing with less than the current minimum of 12 different obstacles. There is no requirement that the 12 different obstacles all be used. So, in some cases a dummy obstacle is included to meet the rule, when the rest of the course is a very nice flowing course.

Affected: Judges and Course Reviewers.

Effective Date: June 1, 2024.

IT COMMITTEE

IT.23.02 Turn On Auditing Function of Database

Motion carried (9-0) - Approved: Busquets, Byrne, Creelman, Gann, Gerken, McCabe, McLellan, Sims, Wesen. Disapproved: None. Abstained: None. Non-voting: None.

Motion by Liaison Wesen to approve the following recommendation from the IT Committee.

Committee Recommendation: Motion by Claire Thomas to turn on the auditing function on the database to increase the level of logging being done on the application. Additionally, Microsoft Defender for SQL should be purchased for \$15/mo. Second by Cathy Kenny.

Results of Committee Vote: Approved: 6. Disapproved: None. Abstained: None. Non-Voting: 4.

Comments/Rationale from the Committee: Per recent discussions with the ASCA attorney, the auditing function will provide additional visibility into activity in the Portal. Adding Microsoft Defender will provide anti-malware/anti-virus protection in the Azure environment where the Portal and its database live.

Affected: ASCA Business Office.

Effective Date: Immediately upon Board approval.

Withdrawn Motions:

EM.23.12 Temporarily Stop Printing and Mailing Titles Except Champions (Revised 6/1/2023)

BD.23.68 ASCA Breeders List - Puppies/Dogs Available (Revised 6/14/2023)

AF.23.06 Requested Bylaw Changes from Zia ASC

Respectfully submitted by Kalla Jaco, Executive Secretary.
