

Candidate Resume 2024

Rachel Vest investedr@yahoo.com 1494 Hog Mountain Rd. Jefferson GA 30549 770-634-5582

Objectives: To serve as an ASCA Director. To provide open and transparent communication within the BOD as well as to the Membership. To do a more effective job of listening to Member concerns/feedback. To determine how to increase revenue for ASCA while maintaining an exceptional level of customer service to Members.

Experience: The Australian Shepherd has been my breed of choice since 1976.

Have maintained an ASCA membership since 1989.

Served as an Officer/BOD for the Greater Atlanta Australian Shepherd Club from 1991 - 2005 Promoted the start of ASCA Stockdog trialing program in GA and throughout the S.E. There was no ASCA Stockdog program prior to this. Served as a Course Director for GAASC from 1990 - 2005.

Nationals Stockdog Course Director for the 2000 Nationals in Gainesville GA

Have trialed in the ASCA Stockdog program since 1990.

Was granted the honor of becoming as ASCA Stockdog Judge in 2002

Served on the ASCA Stockdog Committee for 2 yrs.

Served on the ASCA BOD for 3 terms, serving one term as 2nd V.P. which required me to maintain and update the Strategic Plan.

Joined the National Advisory Committee 2023 – present.

Appointed by the BOD in 2014 to facilitate the ASCA System Upgrade. Worked in this role ' until the System was created that allowed Members to view their dogs, check titles, register dogs and puppies online, and renew Memberships online. Prior to this System, there was no online functionality within ASCA.

Nationals 2023 – Awarded the Earnest Hartnagle Memorial Icon Award

Work Experience:

Current position - retired since 2019

Prior positions:

Oct 2015 - 2017: Technical Operator

Defense Video and Imagery Distribution System {DVIDS}. Responsibilities included monitoring, recording, and webcasting of broadcast feeds for all branches of the U.S. Military The US State Department, and the Dept of Defense. Conducted satellite tests with military units throughout the world in order to telecast their live feeds on the DVIDS network.

Oct 2014 - Sept 2015: Affiliate Relations Consultant

NFL Operation Team Member on a special project to work with 500+ NFL Affiliates to locate 2200+ Digital Receivers and ensure that they were updated with the latest NFL programming. This provided the NFL with the correct revenue for each Affiliate receiver. This position also included gathering the Designated Market Information which was required to determine the correct Geotargeting information to control the appropriate blackouts for each market.

Aug 1980 - Sept 2014: Scientific Atlanta - Cisco Cost Accounting / Senior Program Admin/Customer Service Spec

Supported each position with integrity, attention to detail, and excellent customer service skills. Responsible for budgeting, purchasing, maintaining demo inventory shipping demo equipment worldwide to trade shows and potential customers for Digital Media Network Lab. Lab inventory and demo equip value was \$2MM+. Customers included: Fox, CNN, Comcast, Disney, AT&t, Christian Broadcast Network, HLN, and Latter-Day Saints Networks.
